Rutgers University billing processes have been adjusted so that students who take the majority of their classes on the New Brunswick or Newark or Camden campus now pay the appropriate campus fee for their primary place of study. The campus fee will also vary if you are in an off-campus program. The campus fee supports a wide range of services provided to students on a particular campus, such as student centers, recreation centers, campus buses, events and programs, health centers, counseling services, access to athletic events, etc.
