Rutgers University billing processes are adjusted so that students who take the majority of their classes on the New Brunswick or Newark or Camden campuses pay the appropriate Student Fee for their primary place of study. The Student Fee will vary if you are in an off-site program. The Student Fee supports a wide range of services provided to students on a particular campus, such as student centers, recreation centers, campus buses, events and programs, health centers, counseling services, access to athletic events, etc.
